

## Summary of Benefits for the High Option of the Government Employees Health Association, Inc. 2026

**Do not rely on this chart alone.** This is a summary. All benefits are subject to the definitions, limitations, and exclusions in this brochure. Before making a final decision, please read this FEHB brochure. You can also obtain a copy of our Summary of Benefits and Coverage as required by the Affordable Care Act at [geha.com/Plan-Summaries](http://geha.com/Plan-Summaries).

If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.

Below, an asterisk (\*) means the item is subject to the \$500 Self Only or \$1,000 Self Plus One or Self and Family calendar year deductible when you use in-network providers; or subject to \$2,000 Self Only or \$4,000 Self Plus One or Self and Family calendar year deductible when you use out-of-network providers. And, after we pay, you generally pay any difference between our allowance and the billed amount if you use an out-of-network physician or other healthcare professional.

| High Option Benefits                                                                                        | You pay                                                                                                                                                                                                                                          | Page |
