For the High plan, there are no deductibles. For the Standard plan, there is a $75 out-of-network deductible per person with no family limit for Class A, B and C.

1 If your out-of-network dentist charges more than G.E.H.A's agreed-upon plan allowance for a specific service, you are responsible for the difference between the plan allowance and the out-of-network dentist's charge plus regular coinsurance.
2 Two sets of bitewing X-rays covered per year for members 22 and under. One set of bitewing X-rays covered per year for members ages 23+.
3 Implants are limited to $2,500 per person per year in-network or out-of-network on High. For Standard, implants are limited to $2,500 per person per year in-network, or $2,000 per person per year out-of-network.
4 Benefits are based on the plan allowance that is the amount allowed for a specific procedure.
