Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are necessary for the prevention, diagnosis, care, or treatment of a covered condition and meet generally accepted dental protocols.
- There is no calendar year deductible for High Option or Standard Option in-network. Standard out-of-network Services under Class A, B and C are Subject to a combined $75 Deductible per person, per calendar year.
- The High Option annual benefit maximum is unlimited per covered person.
- The Standard Option annual benefit maximum is $2,500 for in-network services and $2,000 for out-of-network services per covered person.
- Covered services shall include only those services specifically listed in Section 5 Dental Services and Supplies. A covered service must be incurred and completed while the person receiving the service is a covered person. Covered services are subject to plan provisions for exclusions and limitations and meet acceptable standards of dental practice as determined by us.
- Covered services are limited to the maximum allowable charge as determined by us and are subject to alternative benefit, coinsurance, maximum benefit limits and the other limitations described in this plan document.
- Bitewing Radiographic images are limited to twice per Calendar Year for children 22 and younger and once per Calendar Year for adults age 23 and older.
