Implant services
Implant Services – The following implant procedure codes may be allowed under the implant benefit. We will limit payment on covered implant(s) - including abutment, implant, crown, implant-supported appliances such as partial denture (bridge), pontic, full denture and other implant procedures to a calendar year maximum of $2,500 or $2,000 for Standard Option if out-of-network. Replacement implant services are covered only 5 years after initial placement of existing implant or appliance to replace missing teeth unless required as a result of an accidental bodily injury and satisfactory evidence is presented showing the implant services could not be made serviceable.
