CVS Caremark Formulary (cont.)

Notes:

- **Changes to the formulary are not considered benefit changes.**
- Your physician may be contacted to discuss your prescriptions for drugs that are excluded by the Plan's formulary. No change in the medication prescribed will be made without your physician's approval.
- Please visit our website at geha.com/Prescriptions-Summary to view the most current list of specialty drugs. You may also call CVS Caremark at 844-443-4279 or CVS Specialty at 800-237-2767.
- **Any rebates or savings received by the Plan on the cost of drugs purchased under this Plan from drug manufacturers are credited to the health plan and are used to reduce healthcare costs.**

Coordinating with other drug coverage

For other commercial coverage: If you also have drug coverage through another group health insurance plan and we are your secondary insurance, follow these procedures:

If you obtain your prescription from a retail pharmacy using your primary insurance plan:

1. Present prescription ID cards from both your primary insurance plan and G.E.H.A.
2. If able, the pharmacy will electronically process both your primary and secondary claims, and the pharmacist will tell you if you have any remaining copay/coinsurance to pay.
3. If the pharmacy cannot electronically process the secondary claim, purchase your prescription using the prescription ID card issued by your primary insurance carrier and pay any copay/coinsurance required by the primary insurance. Then, mail your pharmacy receipt and primary Explanation of Benefits (EOB) to CVS Caremark for consideration of possible reimbursement through your G.E.H.A, secondary benefit. Submit these claims to CVS Caremark, PO Box 52136, Phoenix, AZ 85072-2136 or submit for reimbursement online via Caremark web portal (geha.com/Prescriptions-Summary) or Caremark mobile app (available for Android and Apple).

If you obtain your prescription from a mail service pharmacy using your primary insurance plan, your G.E.H.A reimbursement will be based on the G.E.H.A retail Plan benefit:

1. Purchase your prescription using the prescription ID card issued by your primary insurance carrier and pay any copay/coinsurance required by the primary insurance.
2. Then, mail your pharmacy receipt and primary EOB to CVS Caremark for consideration of possible reimbursement through your G.E.H.A, secondary benefit. Submit these claims to CVS Caremark, PO Box 52136, Phoenix, AZ 85072-2136 or submit for reimbursement online via Caremark web portal (geha.com/Prescriptions-Summary) or Caremark mobile app (available for Android and Apple).

If your primary insurance does not provide a prescription ID card:

1. Purchase your drug from the pharmacy and submit the bill to your primary insurance.
2. When the primary insurance has made payment, file the claims and the primary EOB with CVS Caremark for consideration of possible reimbursement using your secondary benefit. Submit these claims to CVS Caremark, PO Box 52136, Phoenix, AZ 85072-2136 or submit for reimbursement online via Caremark web portal (geha.com/Prescriptions-Summary) or Caremark mobile app (available for Android and Apple).

In any event, if you use G.E.H.A's plan ID card when another insurance plan is primary, you will be responsible for reimbursing G.E.H.A any amount in excess of our secondary benefit. If another insurance plan is primary, you should use their drug benefit.

When coordination of benefits apply, reimbursement is based on G.E.H.A's retail Plan allowable benefit. Our secondary and tertiary claim payment is the lesser of:

- what G.E.H.A would have paid in the absence of other primary coverage, or
- the balance due after the primary carrier's payment.
