The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. Although we may list a specific service as a benefit, we will not cover it unless we determine it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. - Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services or supplies for which no charge would be made if the covered individual had no health insurance coverage.

- Services, drugs, or supplies you receive without charge while in active military service.
- Services, drugs or supplies furnished, ordered or billed by yourself, immediate relatives or household members, such as spouse, parents, children, brothers or sisters by blood, marriage or adoption.
- Services or supplies furnished or billed by a non-covered facility, except that medically necessary prescription drugs and physical, occupational and speech therapy rendered by a qualified professional therapist on an outpatient basis are covered subject to Plan limits.
- Charges which the enrollee or Plan has no legal obligation to pay, such as excess charges for an annuitant age 65 or older who is not covered by Medicare Parts A and/or B (see Section 9, *Coordinating Benefits with Medicare and Other Coverage)*, doctor's charges exceeding the amount specified by the Department of Health & Human Services when benefits are payable under Medicare (limiting charge, see Section 9, *Coordinating Benefits with Medicare and Other Coverage*), or State premium taxes however applied.

- Chemical or surgical modification of an individual's sex traits through medical interventions (to include "gender transition" services), other than mid-treatment exceptions, see Section 3, *How You Get Care*.
