Enforce its right of subrogation, that is, take over your right to receive payments from other parties. You will transfer to G.E.H.A any rights you or your representative may have to take legal action arising from the illness or injury, and to recover any sums paid on your behalf as a result of that action; or

Enforce its right of reimbursement, that is, recover any sums paid on your behalf from any payment(s) you or your representative obtain from other parties. The right of reimbursement is cumulative with and not exclusive of the right of subrogation.

You must cooperate in doing what is reasonably necessary to assist us, and you must not take any action that may prejudice these rights of recovery. It is your duty to notify the plan within 30 days of the date when notice is given to any party, including an insurance company or attorney, of your intention to pursue or investigate a claim to recover damages or obtain compensation due to your injury, illness or condition. You and your agents or representatives shall provide all information requested by the plan or its representatives. You shall do nothing to prejudice your FEHB plan's subrogation or recovery interest or to prejudice the plan's ability to enforce the terms of this provision. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the plan.

- To reimburse G.E.H.A on a first priority basis (i.e., before any other party) in full, up to the amount of benefits paid, out of any and all settlements, judgments, or other recoveries that you or your representative obtain from any source and no matter how characterized, designated, or apportioned (for example, as "pain and suffering only"). G.E.H.A enforces this right of reimbursement by asserting a lien against any and all recoveries obtained, including, but not limited to, first party Medpay, Personal Injury Protection, No-Fault coverage, Third-Party liability coverage, Uninsured and Underinsured coverage, personal liability umbrella coverage, and a workers compensation program or insurance policy. G.E.H.A's lien consists of the total benefits paid to diagnose or treat the illness or injury. G.E.H.A's lien applies first, regardless of the "make whole" and "common fund" doctrines. Your plan is not required to participate in or pay court costs or attorney fees to any attorney hired by you to pursue your damage claims.

G.E.H.A's lien extends to all expenses incurred prior to the settlement or judgment date, even if those expenses were not submitted to G.E.H.A for payment at the time you reimbursed G.E.H.A. The lien remains your obligation until it is satisfied in full. Failure to refund G.E.H.A or cooperate with our recovery efforts may result in an overpayment that can be collected from you.

The provisions of this section apply to all current or former plan participants and also to the parents, guardian, or other representative of a dependent child who incurs claims and is or has been covered by the plan. The plan's right to recover (whether by subrogation or reimbursement) shall apply to the personal representative of your estate, heirs or beneficiaries, administrators, legal representatives, successors, assignees, minors, and incompetent or disabled persons. "You" or "your" includes anyone on whose behalf the plan pays benefits. No adult covered person hereunder may assign any rights that it may have to recover medical expenses from any tortfeasor or other person or entity to any minor child or children of said adult covered person without the prior express written consent of the plan.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP)

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.gov or by phone at 1-877-888-3337, (TTY 1-877-889-5680), you will be asked to provide information on your Plan so that your plans can coordinate benefits. Providing your Plan information may reduce your out-of-pocket cost.
