- **Medical services and supplies provided by physicians and other healthcare professionals:** If you are enrolled in Medicare Part B, we waive the copayment or the deductible and coinsurance.
- **Office visits providers and MinuteClinic® (where available):** If you are enrolled in Medicare Part B, we waive the copayment or the deductible and coinsurance for office visits.

Please review the following examples which illustrates your cost share if you are enrolled in Medicare Part B and the Elevate Plus Option. If you purchase Medicare Part B, then we waive some costs because Medicare will be the primary payor.
