Overseas claims

For covered services you receive by physicians and hospitals outside the United States and Puerto Rico, send a completed Overseas Claim Form and the itemized bills to:

G.E.H.A Medical Claims
PO Box 21172
Eagan, MN 55121

You may obtain overseas claim forms from geha.com/Health-Overseas-Access.

Eligibility and/or medical necessity review is required when procedures are performed, or you are admitted to a hospital outside of the United States. Review includes the procedure and/or service to be performed, the number of days required to treat your condition, and any other applicable benefit criteria.

If you have questions about the processing of overseas claims, contact us at 800-821-6136. Covered providers outside the United States will be paid at the in-network level of benefits, subject to the deductible, copays and/or coinsurance. We will provide translation and currency conversion for claims for overseas (foreign) services. The conversion rate will be based on the date services were rendered.

When members living abroad are stateside and seeking medical care, contact us at 800-821-6136, or visit geha.com/Health-Overseas-Access to locate an in-network provider. When you are seeking treatment stateside, all precertification and authorization requirements are applicable. If you utilize an out-of-network provider, out-of-network benefits would apply on the Elevate Option. The Elevate Plus Option does not provide benefits for out-of-network providers, except in cases of emergency medical care.
