Elevate Plus and Elevate Overview

This Plan offers both an Elevate Plus and an Elevate Option. Both benefit packages are described in Section 5. Make sure that you review the benefits that are available under the option in which you are enrolled.

The Elevate Plus and Elevate Options Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of each subsection. For more information about services, see Section 1, *We have a Preferred Provider Network*. Also read the *General Exclusions* in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about Elevate Plus and Elevate benefits, contact us at 800-821-6136 or on our website at geha.com/Get-Support.

Each option offers unique features:

Elevate Plus

- You must use in-network providers for your care to be eligible for benefits, except in certain circumstances, such as emergency care.
- No requirement to choose a doctor as your primary physician.
- No referral needed to see a specialist. However, you might need preauthorization for certain services.
- Generic drugs: $15 copay at an in-network retail pharmacy for a 30-day supply.
- Calendar year deductible of $200 for Self Only enrollment and $400 Self Plus One or Self and Family enrollment.
- 20% Coinsurance of our allowance after the deductible for certain inpatient and outpatient services.
- Predictable out-of-pocket copayments for many in-network healthcare services:
  - Telehealth visits at $0, geha.com/Telehealth-Visit.
  - MinuteClinic® copay of $10/visit.
  - Office visit copay of $30 to any primary care provider including family or general practitioners, pediatricians, OB/GYN and medical internists; specialist provider copay is $50.
  - Urgent Care Facility copay of $50.

Elevate

- Extensive provider network and freedom to choose any doctor with extra savings when you see a preferred provider.
- No requirement to choose a doctor as your primary physician.
- No referral needed to see a specialist. However, you might need preauthorization for certain services.
- Generic drugs: $10 copay at an in-network retail pharmacy for a 30-day supply. This plan does not include a benefit for mail order.
- Low-cost access to a wide variety of in-network providers for wellness and acute care visits:
  - Telehealth visits at $0, geha.com/Telehealth-Visit.
  - Copay of $10/visit for:
    - MinuteClinic®
    - Primary care provider including family or general practitioners, pediatricians, OB/GYN and medical internists
    - Chiropractic and acupuncture services
  - Specialist office visit copay is $30.
  - Urgent Care Facility copay of $50.
