See Section 3, *How You Get Care/Maternity care* for other circumstances, such as extended stays for you or your baby. • You may remain in the hospital up to 48 hours after a vaginal delivery and 96 hours after a cesarean delivery. We will cover other care of an infant who requires non-routine treatment if we cover the infant under Self Plus One or Self and Family enrollment. • We pay hospitalization and surgeon services for non-maternity care the same as for illness and injury. • *Hospital* services are covered under Section 5(c) and Section 5 (b), *Surgical benefits.* • Home nursing visits, intravenous/infusion therapy, and injections are covered the same as other medical benefits (not maternity) for diagnostic and treatment services as outlined in Section 5(a), *Home health services*.
