Section 5(c). Services Provided by a Hospital or Other Facility, and Ambulance Services

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the **Elevate Plus** Option:
  - The calendar year deductible is $200 per person ($400 if enrollment is Self Plus One or Self and Family). We added "(no deductible)" to show when the calendar year deductible does not apply.
  - The in-network benefits are the standard benefits of the Plan.
- Under the **Elevate** Option:
  - The calendar year deductible is $750 per person ($1,500 if enrollment is Self Plus One or Self and Family). If you use an out-of-network provider, the calendar year deductible is $2,000 per person ($4,000 if enrollment is Self Plus One or Self and Family). Applicable coinsurance applies after you met your Deductible until you've reached your Out-of-Pocket Maximum.
  - In-network benefits apply only when you use an in-network provider. When no in-network provider is available, out-of-network benefits apply.
- When you visit an in-network facility, the professionals who provide services to you may not all be in-network providers. If you receive out-of-network services at an in-network facility, we will pay up to the Plan allowable according to the No Surprises Act.
- Medications may be available under the Prescription drug benefit and may require prior authorization.
- Benefits for certain prescription medications and supplies (e.g., self-injectable or self-administered) are only eligible for coverage when dispensed by a pharmacy, under the pharmacy benefit even if you obtain these medications from your provider.
- **YOU MUST GET PREAUTHORIZATION FOR INPATIENT STAYS UNLESS DUE TO A MEDICAL EMERGENCY. FAILURE TO DO SO WILL RESULT IN A FINANCIAL PENALTY**. Please refer to the preauthorization information shown in Section 3 to be sure which services require preauthorization. Confinements which are considered not medically necessary will not be covered. Penalties are not subject to the catastrophic limit.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9, *Coordinating Benefits with Medicare and Other Coverage*, for information about how we pay if you have other coverage, or if you are age 65 or over.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are in Sections 5(a) or 5(b).
