Section 5(d). Emergency Services/Accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the **Elevate Plus** Option:
  - The calendar year deductible is $200 per person ($400 if enrollment is Self Plus One or Self and Family). We added "(no deductible)" to show when the calendar year deductible does not apply.
  - The in-network benefits are the standard benefits of the Plan.
- Under the **Elevate** Option:
  - The calendar year deductible is $750 per person ($1,500 if enrollment is Self Plus One or Self and Family). If you use an out-of-network provider, the calendar year deductible is $2,000 per person ($4,000 if enrollment is Self Plus One or Self and Family). We added "(no deductible)" to show when the calendar year deductible does not apply. Applicable coinsurance applies after you meet your Deductible until you've reached your Out-of-Pocket Maximum.
  - In-network benefits apply only when you use an in-network provider. When no in-network provider is available, out-of-network benefits apply.
- We will provide in-network benefits if you are admitted to an out-of-network hospital due to a medical emergency. We will also provide in-network benefits if you receive care from professionals who provide services in an out-of-network hospital, when admitted due to a medical emergency.
- Under the Elevate Option, the out-of-network benefits are the standard benefits of the Plan. In-network benefits apply only when you use an in-network provider. When no in-network provider is available, out-of-network benefits apply. Under the Elevate Plus Option, the in-network benefits are the standard benefits of the Plan.
- When you visit an in-network facility, the professionals who provide services to you in a facility may not all be preferred providers. If you receive out-of-network services at an in-network facility, we will pay up to the Plan allowance according to the No Surprises Act.
- Medications may be available under the Prescription drug benefit and may require prior authorization.
- Benefits for certain prescription medications and supplies (e.g., self-injectable or self-administered) are only eligible for coverage when dispensed by a pharmacy, under the pharmacy benefit even if you obtain these medications from your provider.
- **YOU MUST GET PREAUTHORIZATION FOR SOME SERVICES.** Please refer to the preauthorization information shown in Section 3 to be sure which services require preauthorization.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9, *Coordinating Benefits with Medicare and Other Coverage*, for information about how we pay if you have other coverage, or if you are age 65 or over.

What is an Accidental Injury?

An accidental injury is a bodily injury sustained solely through violent, external, and accidental means, such as broken bones, animal bites, and poisonings.
