Section 5(e). Mental Health and Substance Use Disorder Benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the **Elevate Plus** Option:
  - The calendar year deductible is $200 per person ($400 if enrollment is Self Plus One or Self and Family). We added "(no deductible)" to show when the calendar year deductible does not apply.
  - The in-network benefits are the standard benefits of the Plan.
- Under the **Elevate** Option:
  - The calendar year deductible is $750 per person ($1,500 if enrollment is Self Plus One or Self and Family). If you use an out-of-network provider, the calendar year deductible is $2,000 per person ($4,000 if enrollment is Self Plus One or Self and Family). Applicable coinsurance applies after you met your Deductible until you've reached your Out-of-Pocket Maximum. We added "(no deductible)" to show when the calendar year deductible does not apply.
  - In-network benefits apply only when you use an in-network provider. When no in-network provider is available, out-of-network benefits apply.
- When you visit an in-network facility, the professionals who provide services to you in a facility may not all be in-network providers. If you receive out-of-network services at an in-network facility, we will pay up to the plan allowance according to the No Surprises Act.
- Medications may be available under the Prescription drug benefit and may require prior authorization.
- Benefits for certain prescription medications and supplies (e.g., self-injectable or self-administered) are only eligible for coverage when dispensed by a pharmacy, under the pharmacy benefit even if you obtain these medications from your provider.
- **YOU MUST GET PREAUTHORIZATION FOR SOME SERVICES.** Please refer to the preauthorization information shown in Section 3 to be sure which services require preauthorization.
- Be sure to read Section 4, Y*our Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9, *Coordinating Benefits with Medicare and Other Coverage*, for information about how we pay if you have other coverage, or if you are age 65 or over.
- The coverage and cost-sharing listed below are for services provided by physicians and other healthcare professionals for your medical care. See Section 5(c), for cost-sharing associated with the facility (i.e., hospital, surgical center, etc.).
