- **Workers' Compensation**

Every job-related injury or illness should be reported as soon as possible to your supervisor. Injury also means any illness or disease that is caused or aggravated by the employment as well as damage to medical braces, artificial limbs and other prosthetic devices. If you are a federal or postal employee, ask your supervisor to authorize medical treatment by use of form CA-16 before you obtain treatment. If your medical treatment is accepted by the Dept. of Labor Office of Workers' Compensation (OWCP), the provider will be compensated by OWCP. If your treatment is determined not job-related, we will process your benefit according to the terms of this plan, including use of in-network providers. Take form CA-16 and form OWCP-1500/HCFA-1500 to your provider, or send it to your provider as soon as possible after treatment, to avoid complications about whether your treatment is covered by this plan or by OWCP.

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar federal or state agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

- **Medicaid**

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these state programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the state program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, state, or federal government agency directly or indirectly pays for them.

When others are responsible for injuries

If G.E.H.A pays benefits for an illness or injury for which you accrue a right of action, are entitled to compensation, or receive a settlement, judgment, or recovery from another party, you must agree to the provisions below.

Maternity care expenses incurred by a Plan member serving as a surrogate are covered by the Plan subject to reimbursement from the other party according to the surrogacy contract or agreement. The involved Plan member must execute our Reimbursement Agreement against any payment that may be received under a surrogacy contract or agreement. Expenses of the newborn child are not covered under this or any other benefit in a surrogate mother situation.

All G.E.H.A benefit payments in these circumstances are a condition of and a limitation on the nature, provision, or extent of coverage or benefits under the Plan, and remain subject to all of our contractual benefit limitations, exclusions, and maximums. By accepting these conditional benefits, you agree to the following:

- You or your representative must contact G.E.H.A's Subrogation Vendor, The Rawlings Company, LLC, at 855-967-6609 as soon as possible after the event(s) that resulted in the illness or injury, and provide all requested information, including prompt disclosure of the terms of all settlements, judgments, or other recoveries. You must sign any releases G.E.H.A requires to obtain information about any claim(s) for compensation from other sources you may have.
