Your catastrophic protection out-of-pocket maximum

After your (deductible, copayments and coinsurance) reaches the out-of-pocket maximum you do not have to pay any more for covered services, with the exception of certain cost sharing for the services below which do not count toward your catastrophic protection out-of-pocket maximum.

- **In-network**
  - The HDHP out-of-pocket maximum is $6,000 for Self Only enrollment; $12,000 when enrollment is Self Plus One or Self and Family when you use in-network providers.
  - Only out-of-pocket expenses from in-network providers count toward these limits.
  - An individual under Self Plus One or Self and Family enrollment will never have to satisfy more than what is required for the out-of-pocket maximum under a Self Only enrollment.
- **Out-of-network**
  - The HDHP out-of-pocket maximum is $8,500 for Self Only enrollment; $17,000 when enrollment is Self Plus One or Self and Family if you use out-of-network providers. Only eligible out-of-pocket expenses from out-of-network providers count towards those limits. Out-of-network coinsurance will only accumulate to the in-network maximum if meeting criteria to be reimbursed at the in-network rate (reference the No Surprise Act).
  - An individual under Self Plus One or Self and Family enrollment will never have to satisfy more than what is required for the out-of-pocket maximum under a Self Only enrollment.

Out-of-pocket expenses for in-network and out-of-network benefits are the expenses you pay for covered services.

The following cannot be counted toward catastrophic protection out-of-pocket expenses:

- Expenses you pay for non-covered services;
- Expenses in excess of our allowable amount or maximum benefit limitations;
- Charges incurred by failure to obtain pre-certification, when using non-network facilities and other amounts you pay because benefits have been reduced/denied for non-compliance with the Plan requirements (see Section 3);
- Expenses in excess of plan limits for dental;
- The cost for non-approved medications and drugs that we exclude; and
- The difference between the cost of generic and brand name medication.

Carryover

If you changed to this Plan during Open Season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your prior plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your prior plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your prior plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your prior plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.
