CVS Caremark Mail Service Pharmacy All copayments/coinsurance are for up to a 90-day supply per prescription. Notes: • A generic equivalent will be dispensed unless you or your physician specifies the prescription be dispensed as written (DAW), when a generic drug is available. If there is no generic equivalent available, you pay the brand name copay/coinsurance. • If you or your physician chooses a brand name medication when a generic is available, you will be charged the generic copay plus the difference in cost between the brand name and the generic. Your physician may call 855-240-0536, if they determine there is medical necessity for the brand therapy. If approved, your copay/coinsurance will be the applicable brand name copay/coinsurance.	**When G.E.H.A is primary:** Generic: $25 or the cost of the drug, whichever is less Preferred: 25% of Plan allowance up to a maximum of $500, for up to a 90-day supply Non-Preferred: 40% of Plan allowance up to a maximum of $800, for up to a 90-day supply Maintenance Choice lets you choose how to get a 90-day supply of your maintenance medications through mail service or at a CVS Pharmacy. **When Medicare A and B is primary:** Generic: $15 or the cost of the drug, whichever is less Preferred: 15% of Plan allowance up to a maximum of $350, for up to a 90-day supply Non-Preferred: 30% of Plan allowance up to a maximum of $500, for up to a 90-day supply Maintenance Choice lets you choose how to get a 90-day supply of your maintenance medications through mail service or at a CVS Pharmacy.
