- **Out-of-network**

  - For High Option, the out-of-pocket maximum is $20,000 for Self Only enrollment; $40,000 when enrollment is Self Plus One or Self and Family if you use out-of-network providers. Any of the above expenses for in-network providers also count toward this limit. Out-of-network coinsurance will not accumulate to the in-network maximum unless meeting criteria to be reimbursed at the in-network rate (reference the No Surprises Act). Your eligible out-of-pocket expenses will not exceed this amount whether or not you use in-network Providers.
  - For Standard Option, the out-of-pocket maximum is $20,000 for Self Only enrollment; $40,000 when enrollment is Self Plus One or Self and Family if you use out-of-network providers. Only out-of-pocket expenses from out-of-network providers count towards those limits. Out-of-network coinsurance will not accumulate to the in-network maximum unless meeting criteria to be reimbursed at the in-network rate (reference the No Surprises Act).
  - An individual under Self Plus One or Self and Family enrollment will never have to satisfy more than what is required for the out-of-pocket maximum under a Self Only enrollment.

  Out-of-pocket expenses for in-network and out-of-network benefits are the expenses you pay for covered services.

  The following cannot be counted toward catastrophic protection out-of-pocket expenses:

  - Expenses you pay for non-covered services;
  - Expenses in excess of our allowable amount or maximum benefit limitations;
  - Charges incurred by failure to obtain pre-certification, when using non-network facilities and other amounts you pay because benefits have been reduced/denied for non-compliance with the Plan's requirements (see Section 3);
  - Expenses in excess of plan limits for dental;
  - The cost for non-approved medications and drugs that we exclude; and
  - The difference between the cost of the generic and brand name medication.

- **MA-PD or PDP**

  For members enrolled in our Plan's associated MA-PD or PDP Employer Group Waiver Plan (EGWP), we are required to accumulate all members' actual out-of-pocket costs for covered drugs, services and supplies toward the FEHB catastrophic maximum(s), unless specifically excluded above.

  If you are enrolled in our Medicare Part D Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP), the prescription drug True Out-of-Pocket (TrOOP) is $2,100. After this is met, we pay 100% of all Medicare eligible covered Part D prescription drug benefits. You will continue to pay a cost share for non-Medicare Part D drugs.

  See Section 9, *Medicare Advantage (Part C),* for further details.

Carryover

If you changed to this Plan during Open Season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your prior plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your prior plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your prior plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your prior plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.
