Benefits Description	You pay After the calendar year deductible…	
Note: The calendar year deductible applies to almost all benefits in this Section. We say "(no deductible)" when it does not apply.		
Surgical procedures	**High Option**	**Standard Option**
A comprehensive range of services, such as: • Operative procedures • Treatment of fractures, including casting • Routine pre- and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy and non-routine colonoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies - limited to children under the age of 18 unless there is a functional deficit (see *Reconstructive surgery* below) • Insertion of internal prosthetic devices (see Section 5(a), *Orthopedic and prosthetic devices* for device coverage information) • Treatment of burns • Surgical treatment of severe obesity (bariatric surgery): - Eligible members must be age 18 or over; or for adolescents, have achieved greater than 95% of estimated adult height and a minimum Tanner Stage of 4, and - Have a minimum Body Mass Index (BMI) of 40 or greater than or equal to 35 (with at least one co-morbid condition present), and - Complete a multi-disciplinary surgical preparatory regimen, which includes a psychological evaluation, and - Have completed a 6-month plan of physician supervised diet documented within the last two years. - **Preauthorization is required**, see Section 3, *Other services that require preauthorization.* Notes: • Post-operative care is considered to be included in the fee charged for a surgical procedure by a doctor. Any additional fees charged by a doctor are not covered unless such charge is for an unrelated condition. • For female and male surgical family planning procedures, see Section 5(a), *Family Planning*. • Assistant surgeons are covered up to 20% of our allowance for the surgeon's charge for procedures when it is medically necessary to have an assistant surgeon. Registered nurse first assistants and certified surgical assistants are covered up to 15% of our allowance for the surgeon's charge for the procedure if medically necessary to have an assistant surgeon.	In-network: 20% of the Plan allowance Out-of-network: 50% of the Plan allowance and any difference between our allowance and the billed amount	In-network: 25% of the Plan allowance Out-of-network: 50% of the Plan allowance and any difference between our allowance and the billed amount
