- **PDP**

For members enrolled in our Plan's associated MA-PD or PDP Employer Group Waiver Plan (EGWP), we are required to accumulate all members' actual out-of-pocket costs for Medicare-covered drugs, services and supplies toward the PSHB catastrophic maximums, unless specifically excluded above.

If you are enrolled in our Medicare Part D Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP), the prescription drug True Out-of-Pocket cost (TrOOP) is $2,100. After this is met, we pay 100% of all Medicare eligible covered Part D prescription drug benefits. You will continue to pay a cost share for non-Medicare Part D drugs.

See Section 9, *Medicare Advantage (Part C)* for further details.

Carryover

If you changed to this PSHB Plan during Open Season from a plan with a catastrophic protection benefit the effective date of the change is January 1, and covered expenses that apply to this plan's catastrophic protection benefit starts on January 1.

Notes:

- If you change PSHB plans during Open Season the effective date of your new PSHB plan is January 1 of the next year, and a new catastrophic protection accumulation starts on January 1. If you change plans at another time during the year, you must begin a new catastrophic protection accumulation under your new plan.
- If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

If we overpay you

We will make diligent efforts to recover benefit payments we made in error but in good faith. We may reduce subsequent benefit payments to offset overpayments.

When Government facilities bill us

Facilities of the Department of Veteran Affairs, the Department of Defense, and the Indian Health Service are entitled to seek reimbursement from us for certain services and supplies they provide to you or a covered family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Important Notice About Surprise Billing – Know Your Rights

The No Surprises Act (NSA) is a federal law that provides you with protections against "surprise billing" and "balance billing" for out-of-network emergency services; out-of-network non-emergency services provided with respect to a visit to a participating facility; and out-of-network air ambulance services.

A surprise bill is an unexpected bill you receive for:

- emergency care – when you have little or no say in the facility or provider from whom you receive care, or for
- non-emergency services furnished by non-participating providers with respect to patient visits to participating facilities, or for
- air ambulance services furnished by non-participating providers of air ambulance services.

Balance billing happens when you receive a bill from the nonparticipating provider, facility, or air ambulance service for the difference between the non-participating provider's charge and the amount payable by your health plan.

Your health plan must comply with the NSA protections that hold you harmless from surprise bills.

For specific information on surprise billing, the rights and protections you have, and your responsibilities, go to geha.com/Plan-Transparency or contact the health plan at 800-821-6136.
