Benefits Description	You pay After the calendar year deductible...
Lab, X-ray and other diagnostic tests (cont.)	**HDHP**
• International Normalized Ratio (INR) testing with a diagnosis of liver disease and/or bleeding disorders Note: If your in-network provider uses an out-of-network lab, we will pay out-of-network benefits for lab charges.	In-network: 5% of the Plan allowance (no deductible) Out-of-network: 35% of the Plan allowance and any difference between our allowance and the billed amount
Not covered: • *Professional fees for automated lab tests.* • *Physical, psychiatric, or psychological exams and testing required for obtaining or continuing employment or insurance, attending schools or camps, sports physicals, travel related to judicial or administrative proceedings or orders, or required to obtain or maintain a license of any type.* • *Medications required for obtaining, continuing, or maintaining insurance, a license of any type, employment and/or work-related exposure, attending camps, sports physicals, or for travel, unless Section 5, Preventive Care coverage criteria are met.* • *Home test kits including but not limited to HIV and drug home test kits, except as specified by the brochure.* • *Testing ordered by or on behalf of third parties (e.g., schools, courts, employers, etc.).*	*All charges*
Maternity care	**HDHP**
Complete maternity (obstetrical) care, such as: • Screening for gestational diabetes • Prenatal and Postpartum care • Delivery professional fees • Bacteriuria screening • Screening and counseling for prenatal and postpartum depression (see Section 5(e), *Mental Health and Substance Use Disorders* for treatment). Or call SAMHSA's National Helpline 800-662-4357 or go to www.findtreatment.gov. • Breastfeeding and lactation support and counseling for each birth, see Durable Medical Equipment to obtain breast pump and supplies from a contracted provider. Here are some things to keep in mind: • You do not need to precertify your vaginal delivery. See Section 3, *How You Get Care/Maternity care,* for other circumstances, such as extended stays for you or your baby. • You may remain in the hospital up to 48 hours after a vaginal delivery and 96 hours after a cesarean delivery. We will cover an extended stay if medically necessary, but you must precertify. • We cover routine nursery care of a newborn child during the covered portion of the mother's maternity stay.	In-network: Nothing Out-of-network: 35% of the Plan allowance and any difference between our allowance and the billed amount
