Benefits Description	You pay After the calendar year deductible…
Covered medications and supplies (cont.)	**HDHP**
Non-Network Retail Pharmacy All coinsurance is for up to a 30-day supply per prescription. Notes: • Your claim will be calculated on the appropriate coinsurance and deductible. Reimbursement will be based on G.E.H.A's costs had you used a participating pharmacy. You must submit original drug receipts. • If you or your physician chooses a brand name medication when a generic is available, you will be charged the generic coinsurance plus the difference in cost between the brand name and the generic. Your physician may call 855-240-0536, if they determine there is medical necessity for the brand therapy. If approved, your copay/coinsurance will be the applicable brand name copay/coinsurance. • If a participating pharmacy is not available where you reside or you do not use your identification card, you may submit your claim, with original drug receipts to: CVS Caremark PO Box 52136 Phoenix, AZ 85072-2136 You may also submit prescription reimbursement requests online via Caremark web portal geha.com/Prescriptions-Summary or Caremark mobile app (available for Android and Apple.)	Generic/Preferred: 25% of network price and any difference between our allowance and the cost of the drug Non-Preferred: 40% of network price and any difference between our allowance and the cost of the drug
CVS Caremark Mail Service Pharmacy All coinsurance is for up to a 90-day supply per prescription. Notes: • A generic equivalent will be dispensed unless you or your physician specifies that the prescription be dispensed as written (DAW), when a FDA approved generic drug is available. If there is no generic equivalent available, you pay the applicable plan coinsurance. • If you or your physician chooses a brand name medication when a generic is available, you will be charged the generic coinsurance plus the difference in cost between the brand name and the generic. Your physician may call 855-240-0536, if they determine there is medical necessity for the brand therapy. If approved, your coinsurance will be the applicable brand name coinsurance.	Generic/Preferred: 25% of Plan allowance Non-Preferred: 40% of Plan allowance
Preferred Insulin - CVS Caremark Mail Service Pharmacy All coinsurance is for up to a 90-day supply per prescription. Note: • For generic or non-preferred medications, please see regular Plan benefits.	Preferred: 15% of the Plan allowance (no deductible)
