Dermatology conditions (telehealth)

Under the telehealth benefit, dermatologic conditions seen and treated include but are not limited to acne, rashes, eczema, suspicious spots/moles, warts and other abnormal bumps, rosacea, inflamed or enlarged hair follicles, psoriasis, cold sore, alopecia, insect bites.

Doula

A doula is a non-medical trained professional who provides emotional, physical, and informational support during pregnancy, labor/delivery, and post-partum periods.

Doulas must be certified to provide doula services to meet the Plan requirements of a covered provider. Doulas eligible to provide services for any state Medicaid program in the United States or certified by any organization recognized as providing acceptable training by any state Medicaid program, will be considered a certified doula and eligible for reimbursement for services from the Plan. Training organizations include, but are not limited to:

- Childbirth and Postpartum Professional Association (CAPPA)
- Childbirth International
- Commonsense Childbirth Institute
- Doulas of North America (DONA)
- Doula Trainings International (DTI)
- International Childbirth Education Association
- National Black Doulas Association

Doula services do not include diagnosis of medical conditions, provision of medical advice, or any type of clinical assessment, exam, or procedure.
