Eligibility	Eligibility for an HSA is determined on the first day of the month coincident to or following your effective date of enrollment. You must: • Enroll in this HDHP; • Have no other health insurance coverage (does not apply to specific injury, accident, disability, dental, vision, or long-term care coverage); • Not be enrolled in Medicare; • Not be claimed as a dependent on someone else's tax return; • Not have received VA (except for veterans with a service-connected disability) benefits in the last three months; • Not have received Indian Health Services (IHS) benefits in the last three months; and • Complete and return all banking paperwork. If you do not set up your health savings account with HSA Bank within 90 days, we will enroll you in the HRA.	Eligibility is determined on the first day of the month following your effective date of enrollment and will be prorated for length of enrollment. You must enroll in this HDHP. If you enroll in our HDHP and do not qualify for an HSA, we will establish an HRA for you. If your eligibility changes mid-year, please contact G.E.H.A at 800-821-6136.
Funding	If you are eligible for HSA contributions, a portion of your monthly health plan premium is deposited to your HSA each month. Premium pass-through contributions are based on the effective date of your enrollment in the HDHP.	The entire amount of your HRA will be available to you upon your enrollment. Eligibility for the annual credit will be determined on the last day of the month following your effective date of enrollment and will be prorated for length of enrollment. Members leaving G.E.H.A mid-year will be expected to return a portion of the annual contribution to G.E.H.A only if they have filed claims against the funds (prorated based on the number of months in the Plan) and will forfeit their remaining HRA account balance at that time.
