Important things you should keep in mind about these benefits:

Policies may be found on our website geha.com/Provider-Policies. In some instances, additional services may be rendered, and additional cost shares may apply.
- Preventive care is covered at 100% (see Section 5, *Preventive care*) if rendered by preferred providers and is not subject to the calendar year deductible. Preventive care from non-preferred providers is covered under Traditional medical coverage subject to the deductible.
- Benefits are applied based on how your provider bills Us. You must reference all Sections in this Brochure depending on where your care is obtained. For example, but not limited to, any procedure, injection, diagnostic service, laboratory, or x-ray service done in a hospital in conjunction with a physician office examination may apply separate cost share depending on where you obtain your care.
- The calendar year deductible is $1,800 for Self Only and $3,600 for a Self Plus One or Self and Family when you use in-network providers. The deductible is $4,500 for Self Only and $9,000 for Self Plus One or Self and Family when you use out-of-network providers. The Self Plus One or the Self and Family deductible can be satisfied by one or more family members. Applicable coinsurance applies after you meet your Deductible until you've reached your Out-of-Pocket Maximum.
- The out-of-network benefits are the standard benefits of this Plan. In-network benefits apply only when you use an in-network provider. When no in-network provider is available, out-of-network benefits apply.
- When you visit an in-network facility, the professionals who provide services to you may not all be in-network providers. If you receive out-of-network services at an in-network facility, we will pay up to the plan allowance according to the No Surprises Act.
- Medications may be available under the Prescription drug benefit and may require prior authorization.
- Benefits for certain prescription medications and supplies (e.g., self-injectable or self-administered are only eligible for coverage when dispensed by a pharmacy, under the pharmacy benefit, even if you obtain these medications from your provider.
- **YOU MUST GET PREAUTHORIZATION FOR SOME SERVICES.** Please refer to preauthorization information shown in Section 3 to be sure which procedures require preauthorization.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9, *Coordinating Benefits with Medicare and Other Coverage*, for information about how we pay if you have other coverage, or if you are age 65 or over.
- After you have satisfied your deductible, coverage begins for Traditional medical services.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts for eligible medical expenses and prescriptions.
- Preventive services from non-preferred providers will be applied to your deductible and payable under Traditional medical coverage benefits. Non-covered charges and charges in excess of the Plan allowable do not count toward the deductible.
