Prescription drug benefits (cont.)

- **When you do have to file a claim.** Please be sure to include your name, contact information, and information identifying which denied claim is being appealed.
- **If we deny your claim and you want to appeal:** You, your representative, or your prescriber must request an appeal following the process described in Section 8(a), *Medicare PDP EGWP Disputed Claims Process.* The PDP EGWP appeals process has 5 levels. If you disagree with the decision made at any level of the process, you can generally go to the next level. At each level, you'll get instructions in the decision letter on how to move to the next level of appeal.
  - A standard appeal is usually made within 7 days. A fast appeal is generally made within 72 hours. If your health requires it, ask for a fast appeal.
