We do NOT waive deductibles or coinsurance for Medicare members enrolled in the High Deductible Health Plan.

Services obtained from a non-Medicare provider: We will limit our payment to the cost share amount we would have paid after Original Medicare's payment based on our Plan allowable and the type of service you receive.

You can find more information about how our Plan coordinates benefits with Medicare as outlined in our *Medicare Benefits Guide* at geha.com/Medicare-Options.

- **Tell us about your Medicare coverage**

  You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Private contract with your physician**

  If you are enrolled in Medicare Part B, a physician may ask you to sign a private contract agreeing that you can be billed directly for services ordinarily covered by Original Medicare. Should you sign an agreement, Medicare will not pay any portion of the charges, and we will not increase our payment. Regardless of whether the physician requires you to sign an agreement, we will still limit our payment to the coinsurance amount we would have paid after Original Medicare's payment based on our Plan allowable and the type of service you receive. You may be responsible for paying the difference between the billed amount and the amount we paid.

- **Medicare Advantage (Part C)**

  If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private healthcare choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 800-633-4227, TTY 877-486-2048 or at www.medicare.gov.

  If you enroll in a Medicare Advantage plan, the following options are available to you:

  This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our PSHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers). However, we will not waive any of our coinsurance or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

  Suspended PSHB coverage to enroll in another's Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your PSHB coverage to enroll in a Medicare Advantage plan, eliminating your PSHB premium. (OPM does not contribute to your Medicare Advantage plan premium). For information on suspending your PSHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the PSHB Program, generally you may do so only at the next Open Season, unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

  2. The individual has current Part D eligibility in the CMS system.
