We offer benefits through the UnitedHealthcare Choice Plus network of individual physicians, medical groups, and facilities. These Plan providers accept a negotiated payment from us, and you will only be responsible for your cost-sharing (copayments, coinsurance, deductibles, and non-covered services and supplies), which may vary by plan.

We utilize Optum's Ingenix Claim Editing System (iCES) for United Health Network providers and Optum's Claims Editing System (CES) for non-United Health Network providers to review claims for bundling, unbundling, upcoding and other billing and coding edits using criteria that includes but is not limited to National Correct Coding Initiative (NCCI) guidelines, Centers for Medicare and Medicaid Services (CMS) guidelines, and Commercial (UHC) guidelines.

We reserve the right to audit medical expenses to ensure that the provider's billed charges match the services that you received.
