Maternity care (cont.)	**High Option**	**Standard Option**
• You may remain in the hospital up to 48 hours after a vaginal delivery and 96 hours after a cesarean delivery. We will cover an extended stay if medically necessary, but you must precertify. • We cover routine nursery care of a newborn child during the covered portion of the mother's maternity stay. • We will cover other care of an infant who requires non-routine treatment only if we cover the infant under Self Plus One or Self and Family enrollment. • We pay hospitalization and surgeon services for non-maternity care the same as for illness and injury. • *Hospital services* are covered under Section 5(c) and Section 5(b). • As part of your coverage, you will have access to in-network certified nurse midwives and board-certified lactation specialists during the prenatal and post-partum period. Your coverage also includes services provided by a certified doula as outlined below. • We will cover other care of an infant who requires non-routine treatment if we cover the infant under Self Plus One or Self and Family enrollment. • Home nursing visits, intravenous/infusion therapy, and injections are covered the same as other medical benefits (not maternity) for diagnostic and treatment services as outlined in Section 5(a), *Home health services.* • When a newborn requires definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. If the newborn is eligible for coverage, regular medical or surgical benefits apply rather than maternity benefits. In addition, circumcision is covered at the same rate as for regular medical or surgical benefits. • Maternity care expenses incurred by a Plan member serving as a surrogate are covered by the Plan subject to reimbursement from the other party according to the surrogacy contract or agreement. The involved Plan member must execute our Reimbursement Agreement against any payment that may be received under a surrogacy contract or agreement. Expenses of the newborn child are not covered under this or any other benefit in a surrogate mother situation. • Refer to Section 5(a), *Educational classes and programs* for information on Childbirth Education classes. • See Section 5(h) for more information on G.E.H.A's *Family Planning Care* Program.
