Network Retail Pharmacy All copayments/coinsurance are for up to a 30-day supply per prescription. Copay maximums increase for fills greater than a 30-day supply. Notes: • A generic equivalent will be dispensed unless you or your physician specifies that the prescription be dispensed as written (DAW), when an FDA approved generic drug is available. If there is no generic equivalent available, you pay the applicable plan coinsurance. • If you or your physician choose a brand name medication when a generic is available, you will be charged the generic copay plus the difference in cost between the brand name and the generic. Your physician may call 855-240-0536, if they determine there is medical necessity for the brand therapy. If approved, your copayment/coinsurance will be the applicable brand name copayment/coinsurance. • Medications to treat some complex and chronic medical conditions are only available through CVS Specialty. See CVS Caremark formulary for the categories of drugs in this program.
