Annual Benefit Maximum	Once you reach this amount, you are responsible for all charges. For High Option, there is an unlimited annual benefit maximum per person for combined Class A, Class B and Class C covered services. For Standard Option, there is an annual benefit maximum per person of $2,500 for in-network services and $2,000 for out-of-network services for combined Class A, Class B and Class C covered services. Once the annual benefit maximum has been met, no additional benefits will be paid for Class A, Class B or Class C covered services for that person for that calendar year.
Lifetime Benefit Maximum	The lifetime benefit maximum applies to orthodontic (Class D) covered services only. Once you reach this amount, you are responsible for all charges. This plan has a lifetime benefit maximum of $3,500 per person for High Option and $2,500 for in-network Class D services, $1,500 for out-of-network Class D services for Standard Option. Note: The lifetime benefit maximum applies even if you do not remain continuously enrolled. Any amount applied to the lifetime benefit maximum while previously covered under this plan will apply toward your lifetime benefit maximum when you re-enroll with this plan. And, if you change from High Option to Standard Option (or vice versa) in the plan during the year or during open season, we will apply the amount previously applied to the lifetime benefit maximum from your old option to the lifetime benefit maximum of your new option.
In-Network Services	In-Network services are services provided by an in-network preferred provider, also referred to as a PPO provider. Often, the provider's bill is more than a fee-for-service plan's allowance. Whether or not you have to pay the difference between our allowance and the bill will depend on the provider you use. In-Network providers agree to limit what they will bill you. Because of that, when you use a preferred provider, your share of covered charges consists only of your coinsurance or any amount remaining after the annual maximum is met. Here is an example of how using a preferred provider can save you money: You see a PPO dental practitioner who charges $120 for a Class B restorative service and our maximum allowable is $100. If you have not met your annual maximum, you are only responsible for your coinsurance. That is, with High Option, you pay just 20 percent of our $100 allowance ($20). Because of the agreement, your PPO dental practitioner will not bill you for the $20 difference between our allowance and the bill.
Out-of-Network Services	Out-of-Network services are services provided by a provider that does not participate in our network of providers, also referred to as non-PPO providers. Non-PPO providers have no agreement to limit what they will bill you. When you use a non-PPO provider, you will pay your coinsurance, plus any difference between our allowance and charges on the bill. Here is an example: You see a non-PPO dental practitioner who charges $120 and our maximum allowance is $100. Because you have not met your annual maximum, you are responsible for your coinsurance, so with High Option you pay 20 percent of our $100 allowance ($20). Plus, because there is no agreement between the non-PPO provider and us, your dental practitioner can also bill you for the $20 difference between our allowance and the bill for a total of $40.
Emergency Services	Emergency or accident related services are covered the same as any other benefit.
Plan Allowance	The plan allowance is the amount we allow for a specific procedure. When you use a participating provider, your out-of-pocket cost is limited to the difference between the plan allowance and our payment. The plan allowance may vary upon geographic location and/or a participating providers contracted fee schedule. When you use an out-of-network provider, you are responsible for the difference between our payment and the billed amount.
Private Contract	A dentist may ask you to sign a private contract agreeing to pay the billed amount for upgraded or specialty services. Should you sign an agreement, you will be responsible for the difference between the billed amount and our payment.
