Note: If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

If we overpay you

We will make diligent efforts to recover benefit payments we made in error but in good faith. We may reduce subsequent benefit payments to offset overpayments.

When Government facilities bill us

Facilities of the Department of Veteran Affairs, the Department of Defense, and the Indian Health Service are entitled to seek reimbursement from us for certain services and supplies they provide to you or a covered family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Important Notice About Surprise Billing - Know Your Rights

The No Surprises Act (NSA) is a federal law that provides you with protections against "surprise billing" and "balance billing" for out-of-network emergency services; out-of-network non-emergency services provided with respect to a visit to a participating facility; and out-of-network air ambulance services.

A surprise bill is an unexpected bill you receive for:

- emergency care – when you have little or no say in the facility or provider from whom you receive care, or for
- non-emergency services furnished by non-participating providers with respect to patient visits to participating healthcare facilities, or for
- air ambulance services furnished by non-participating providers of air ambulance services.

Balance billing happens when you receive a bill from the non-participating provider, facility, or air ambulance service for the difference between the non-participating provider's charge and the amount payable by your health plan.

Your health plan must comply with the NSA protections that hold you harmless from surprise bills.

For specific information on surprise billing, the rights and protections you have, and your responsibilities, go to geha.com/Plan-Transparency or contact the health plan at 800-821-6136.

Healthcare FSA (HCFSA)

- **Healthcare FSA (HCFSA)** – Reimburses an FSA participant for eligible out-of-pocket healthcare expenses (such as copayments, deductibles, over-the-counter drugs and medications, vision and dental expenses, and much more) for the participant and their tax dependents, and their adult children (through the end of the calendar year in which they turn 26).
- **Federal Flexible Spending Account Program (FSAFEDS)** - offers paperless reimbursement for your HCFSA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.
