Section 5. Preventive Care

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and any applicable medical or payment policies. Policies may be found on our website geha.com/Provider-Policies. In some instances, additional services may be rendered, and additional cost shares may apply.
- Benefits are applied based on how your provider bills Us. You must reference all Sections in this Brochure depending on where your care is obtained. For example, but not limited to, any procedure, injection, diagnostic service, laboratory, or x-ray service done in a hospital in conjunction with a physician office examination may apply separate cost share depending on where you obtain your care.
- The out-of-network benefits are the standard benefits of the Plan. In-network benefits apply only when you use an in-network provider. When no in-network provider is available, out-of-network benefits apply.
- When you visit an in-network facility, the professionals who provide services to you may not all be in-network providers. If you receive out-of-network services at an in-network facility, we will pay up to the plan allowance according to the No Surprises Act.
- Medications may be available under the Prescription drug benefit and may require prior authorization.
- Benefits for certain prescription medications and supplies (e.g., self-injectable or self-administered) are only eligible for coverage when dispensed by a pharmacy under the pharmacy benefit even if you obtain these medications from your provider.
- **YOU MUST GET PREAUTHORIZATION FOR SOME SERVICES.** Please refer to the preauthorization information shown in Section 3, *How You Get Care*, to be sure which services require preauthorization.
- Be sure to read Section 4, *Your Costs for Covered Services* for valuable information about how cost-sharing works. Also, read Section 9, *Coordinating Benefits with Medicare and Other Coverage,* for information about how we pay if you have other coverage, or if you are age 65 and over.
- The coverage and cost-sharing listed below are for services provided by physicians and other health care professionals for your medical care. See Section 5(c) for cost-sharing associated with the facility (i.e., hospital, surgical center, etc.).
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB plan will be First/Primary payor of any Benefit payments and your FEDVIP plan is secondary to your FEHB plan. See Section 9, *Coordinating Benefits with Medicare and Other Coverage*.
- There is no calendar year deductible for the dental benefits listed below.
