Benefits Description	You pay After the calendar year deductible…
Diagnostic and treatment services	**HDHP**
Professional services of physicians • In physician's office • Office medical consultations • Second surgical opinions • Advance care planning • At home • During a hospital stay (services not related to your inpatient stay, may apply separate cost share.) • Telehealth services provided by your physician. Notes: • If you have a screening or blood test done during a preventive visit to your doctor that is for medical reasons other than prevention, you will be responsible for copays and coinsurance for additional services. • If additional services (e.g., lab, x-ray) are provided during your office visit, separate cost shares may apply.	In-network: 5% of the Plan Allowance Out-of-network: 35% of the Plan allowance and any difference between our allowance and the billed amount
MinuteClinic® MinuteClinic® is available in several states and the District of Columbia. Walk-in medical clinics are located inside select CVS pharmacy locations and no appointment is necessary. MinuteClinic® is staffed by certified family nurse practitioners and physician assistants who diagnose, treat and write prescriptions for common illnesses, injuries and skin conditions. MinuteClinic® also offers physical exams, routine vaccinations and screenings for disease monitoring. To locate a MinuteClinic®, visit http://cvs.com/minuteclinic/clinic-locator or call 866-389-2727.	5% of the Plan Allowance
Telehealth services Telehealth professional services through the Plan's administrative partner for: • Minor acute conditions, see Section 10, *Definitions of Terms*. • Dermatology conditions, see Section 10, *Definitions of Terms*. Note: • For more information on telehealth benefits, please see Section 5(g), *Wellness and Other Special Features,* or visit geha.com/Telehealth-Visit.	Nothing Note: HDHP members who have met their deductible will be charged by the provider, but we will then reimburse the member 100% of the Plan Allowance.
