Hospice/ End of life care	**HDHP**
Hospice is a coordinated program of maintenance and supportive care for the terminally ill provided by a medically supervised team under the direction of a Plan-approved independent hospice administration. • We pay up to $30,000 for hospice care provided in an outpatient setting, or for room, board, and care while receiving hospice care in an inpatient setting. Services may include a combination of inpatient and outpatient care up to a maximum of $30,000. These benefits will be paid if the hospice care program begins after a person's primary doctor certifies terminal illness and life expectancy of six months or less and any services or inpatient hospice stay that is part of the program is: • Provided while the person is covered by this Plan • Ordered by the supervising doctor • Charged by the hospice care program • Provided within six months from the date the person entered or re-entered (after a period of remission) a hospice care program Remission is the halt or actual reduction in the progression of illness resulting in discharge from a hospice care program with no further expenses incurred. A readmission within three months of a prior discharge is considered as the same period of care. A new period begins after three months from a prior discharge with maximum benefits available. Note: See Section 5(a), *Diagnostic treatment and services*, for information on advance care planning coverage.	In-network: 5% up to the Plan limits Out-of-network: 35% up to the Plan limits
