Section 5(e). Mental Health and Substance Use Disorder Benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure any applicable medical or payment policies. Policies may be found on our website geha.com/Provider-Policies. In some instances, additional services may be rendered, and additional cost shares may apply.
- Benefits are applied based on how your provider bills Us. You must reference all Sections in this Brochure depending on where your care is obtained. For example, but not limited to, any procedure, injection, diagnostic service, laboratory, or x-ray service done in a hospital in conjunction with a physician office examination may apply separate cost share depending on where you obtain your care.
- The calendar year deductible is $500 per person ($1,000 if enrollment is in Self Plus one or in Self and Family) if you use in-network providers; the calendar year deductible is $2,000 per person ($4,000 if enrollment is Self Plus One or Self and Family) if you use out-of-network providers. Applicable coinsurance applies after you meet your deductible and continues until you reach your Out-of-Pocket Maximum.
- The out-of-network benefits are the standard benefits of this Plan. In-network benefits apply only when you use an in-network provider. When no in-network provider is available, out-of-network benefits apply.
- When you visit an in-network facility, the professionals who provide services to you may not all be in-network providers. If you receive out-of-network services at an in-network facility, we will pay up to the plan allowance according to the No Surprises Act.
- Medications may be available under the Prescription drug benefit and may require prior authorization.
- Benefits for certain prescription medications and supplies (e.g., self-injectable or self-administered) are only eligible for coverage when dispensed by a pharmacy, under the pharmacy benefit, even if you obtain these medications from your provider.
- **YOU MUST GET PRECERTIFICATION FOR ALL INPATIENT STAYS, RESIDENTIAL TREATMENT CENTERS AND INTENSIVE DAY TREATMENT UNLESS DUE TO A MEDICAL EMERGENCY. FAILURE TO PRECERTIFY THESE SERVICES WILL RESULT IN A FINANCIAL PENALTY.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification. Refer to requirements for *covered facilities* shown in Section 3. Penalties are not subject to the catastrophic limit.
- Outpatient mental health and/or substance use disorder treatment services such as Intensive Day Treatment, including Partial Hospital Services and Intensive Outpatient Treatment, must be precertified as well as various outpatient services such as applied behavioral analysis therapy and psychological testing. See Section 10, *Definitions of Terms*.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9, *Coordinating Benefits with Medicare and Other Coverage,* for information about how we pay if you have other coverage, or if you are age 65 or over.
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.
