We offer a Medicare Advantage plan, the G.E.H.A High Medicare Advantage Plan for High Option FEHB Plan members, or the G.E.H.A Standard Medicare Advantage Plan for Standard Option FEHB Plan members in partnership with UnitedHealthcare. Please review the benefit information for these options under Medicare Advantage (Part C) below.

You can find more information about how our Plan coordinates benefits with Medicare as outlined in our *Medicare Benefits Guide* at geha.com/Medicare-Options.

- **Tell us about your Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Private contract with your physician**

If you are enrolled in Medicare Part B, a physician may ask you to sign a private contract agreeing that you can be billed directly for services ordinarily covered by Original Medicare. Should you sign an agreement, Medicare will not pay any portion of the charges, and we will not increase our payment. Regardless of whether the physician requires you to sign an agreement, we will still limit our payment to the coinsurance amount we would have paid after Original Medicare's payment based on our Plan allowable and the type of service you receive. You may be responsible for paying the difference between the billed amount and the amount we paid**.**
