Summary of Benefits for the Standard Option of the Government Employees Health Association, Inc. 2026

Do not rely on this chart alone. This is a summary. All benefits are subject to the definitions, limitations, and exclusions in this brochure. Before making a final decision, please read this FEHB brochure. You can also obtain a copy of our Summary of Benefits and Coverage as required by the Affordable Care Act at geha.com/Plan-Summaries**.**

If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.

Below, an asterisk (*) means the item is subject to the $500 Self Only or $1,000 Self Plus One or Self and Family calendar year deductible when you use in-network providers; or subject to $2,000 Self Only or $4,000 Self Plus one or Self and Family calendar year deductible when you use out-of-network providers. And, after we pay, you generally pay any difference between our allowance and the billed amount if you use an out-of-network physician or other healthcare professional.

Standard Option Benefits	You pay	Page
Medical services provided by physicians: Diagnostic and treatment services provided in the office	In-network: $35 copay primary care provider for covered office visit; $50 copay specialist for covered office visits Out-of-network: 50%* of covered professional services	35
