Who pays: When we are the primary payor, we process the claim first. If you (as an active employee eligible for Medicare Part D or their covered Medicare Part D-eligible family member) enroll in any open market Medicare Part D plan and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by that Medicare Part D plan and consider them for payment under the PSHB plan.

Note: If you are a Postal Service annuitant or their covered Medicare-eligible family member enrolled in our Medicare Part D PDP EGWP, this does not apply to you because you may not be enrolled in more than one Medicare Part D plan at the same time. If you opt out of or disenroll from our PDP EGWP you do not have our PSHB Program prescription drug coverage and we are not a secondary payor for prescription drug benefits.

Individual Medicare Part D coverage: You cannot be covered under two Part D plans at the same time. If you elect to opt out of G.E.H.A SilverScript PDP or G.E.H.A Medicare Advantage Part C plan, you WILL NOT be eligible for PSHB pharmacy benefits.

- **Medicare Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP)**

If you are enrolled in Medicare Part A and/or Part B and are not enrolled in our Medicare Advantage Prescription Drug Plan (MAPD), you will be automatically group enrolled into our Medicare PDP EGWP.

Our PDP EGWP is a prescription drug benefit for Postal Service annuitants and their covered Medicare-eligible family members.

This allows you to receive benefits that will never be less than the standard prescription drug coverage that is available to members with non-PDP EGWP prescription drug coverage. But more often you will receive benefits that are better than members with standard non-PDP EGWP prescription drug coverage. Note: You have the choice to opt out of or disenroll from our PDP EGWP at any time and may obtain prescription drug coverage outside of the PSHB Program.

When you are enrolled in our Medicare PDP EGWP for your prescription drug benefits you continue to have our medical coverage.

This Plan and our PDP EGWP:

- If you are enrolled in Medicare and are not enrolled in a G.E.H.A Medicare Advantage plan (Part C), you and/or eligible dependents will not need to take action to be automatically enrolled in the G.E.H.A Prescription Drug Plan (PDP), provided by SilverScript, for PSHB covered annuitants and their PSHB covered family members who are eligible for Medicare. You will continue to remain enrolled in our Plan.
- This allows you to receive benefits that will never be less than your coverage that is available to members with only PSHB, but more often you will receive benefits that are better than members with only PSHB.
- Participants who are enrolled in G.E.H.A Prescription Drug Plan (PDP) will receive a separate prescription ID card to use for filling prescriptions.
- See Section 5(f)(a), *PDP EGWP Prescription Drug Benefits* for benefit details.

The following are your enhanced prescription benefits:

- Pharmacy Deductible of $615
- True Out-of-Pocket Cost (TrOOP) of $2,100 per person annually (included in the Plan's integrated medical and prescription drug overall out-of-pocket maximum)
