- **Other services that require preauthorization**

Some surgeries, procedures, services and equipment require precertification or preauthorization such as, but not limited to, the following list. Please note this list is subject to change, please call to verify if your procedure requires preauthorization. Refer to the back of your member ID card under the heading Prior Authorization for the contact information.

Services requiring preauthorization or medical necessity determination may be reviewed with guidelines as described at geha.com/Coverage-Criteria. G.E.H.A has coverage policies for many services and procedures; refer to geha.com/Provider-Policies for a complete list of policies.
