- **In-network**

  Your out-of-pocket maximum for services rendered during this calendar year is:

  - For High Option, the out-of-pocket maximum is $6,000 for Self Only enrollment; $12,000 when enrollment is Self Plus One or Self and Family when you use in-network providers.
  - For Standard Option the out-of-pocket maximum is $6,500 for Self Only enrollment; $13,000 when enrollment is Self Plus One or Self and Family if you use in-network providers.
  - Only out-of-pocket expenses from in-network providers count toward these limits.
  - An individual under Self Plus One and Self and Family enrollment will never have to satisfy more than what is required for the out-of-pocket maximum under a Self Only enrollment.

- **Out-of-network**

  - For High Option, the out-of-pocket maximum is $9,000 for Self Only enrollment; $18,000 when enrollment is Self Plus One or Self and Family if you use out-of-network providers. Any of the above expenses for in-network providers also count toward this limit. Out-of-network coinsurance will not accumulate to the in-network maximum unless meeting criteria to be reimbursed at the in-network rate (reference the No Surprises Act). Your eligible out-of-pocket expenses will not exceed this amount whether or not you use in-network Providers.
  - For Standard Option, the out-of-pocket maximum is $8,500 for Self Only enrollment; $17,000 when enrollment is Self Plus One or Self and Family if you use out-of-network providers. Only out-of-pocket expenses from out-of-network providers count towards those limits. Out-of-network coinsurance will not accumulate to the in-network maximum unless meeting criteria to be reimbursed at the in-network rate (reference the No Surprises Act).
  - An individual under Self Plus One or Self and Family enrollment will never have to satisfy more than what is required for the out-of-pocket maximum under a Self Only enrollment.

  Out-of-pocket expenses for in-network and out-of-network benefits are the expenses you pay for covered services.

  The following cannot be counted toward catastrophic protection out-of-pocket expenses:

  - Expenses you pay for non-covered services;
  - Expenses in excess of our allowable amount or maximum benefit limitations;
  - Charges incurred by failure to obtain pre-certification, when using non-network facilities and other amounts you pay because benefits have been reduced/denied for non-compliance with the Plan's requirements (see Section 3);
  - Expenses in excess of plan limits for dental;
  - The cost for non-approved medications and drugs that we exclude; and
  - The difference between the cost of the generic and brand name medication.

- **MA-PD or PDP**

  For members enrolled in our Plan's associated MA-PD or PDP Employer Group Waiver Plan (EGWP), we are required to accumulate all members' actual out-of-pocket costs for Medicare-covered drugs, services and supplies toward the PSHB catastrophic maximum (s), unless specifically excluded above.

  If you are enrolled in our Medicare Part D Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP), the prescription drug True Out-of-Pocket cost (TrOOP) is $2,100. After this is met, we pay 100% of all Medicare eligible covered Part D prescription drug benefits. You will continue to pay a cost share for non-Medicare Part D drugs.

  See Section 9, *Medicare Advantage (Part C)* for further details.
