Members with higher incomes may have a separate premium payment for their Medicare Part D Prescription Drug Plan (PDP) benefit. Please refer to the Part D-IRMAA section of the Medicare website: https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans to see if you would be subject to an additional premium. The plan does not collect the Part D-IRMAA as part of the premium. Failure to pay an accessed IRMAA amount, could result in automatic disenrollment by Medicare from PDP EGWP.

For people with limited income and resources, Extra Help is a Medicare program to help with Medicare prescription drug plan costs. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 800-772-1213 TTY 800-325-0778. You may also contact SilverScript at the toll-free number 833-250-3241.

The PDP EGWP opt out process: If you were automatically group enrolled into our PDP EGWP and do not wish to remain enrolled in G.E.H.A Prescription Drug Plan (PDP), you may "opt-out" of the enrollment by following the instructions mailed to you. To avoid automatic enrollment, you will have 21 days from receiving the letter to contact SilverScript at the toll-free number 833-250-3241 to decline Part D coverage. G.E.H.A is not limiting when you can opt out or opt in to our PDP EGWP plan. After the initial enrollment period, you may opt out after the first of any month and the changes will not be effective until the first of the following month.

The PDP EGWP disenrollment process: When you are enrolled in our PDP EGWP, you may choose to disenroll at any time by sending SilverScript a written request to disenroll (G.E.H.A 2026 Disenrollment form). You can obtain it by:

1. Visit geha.com/Rx-Plan
2. Contact SilverScript's Customer Care at 833-250-3241

The disenrollment form needs to be either faxed (833-806-0689 Attn: Group Disenrollment) or mailed to Group Aetna Medicare, PO Box 7082, London KY 40742.

Warning: If you opt out of or disenroll from our PDP EGWP, you will not have any PSHB Program prescription drug coverage. However, you can enroll in G.E.H.A's High or Standard medical plans with MAPD during Open Season or for a QLE and receive PSHB Program Prescription Drug Coverage.

Note: If you choose to opt out of or disenroll from our PDP EGWP, your premium will not be reduced, and you may have to wait to re-enroll when and if you are eligible. If you do not maintain creditable coverage, re-enrollment in our PDP EGWP may be subject to a late enrollment penalty. Contact us for assistance by calling 800-821-6136.
