Hospice/ End of life care	**High Option**	**Standard Option**
Hospice is a coordinated program of maintenance and supportive care for the terminally ill provided by a medically supervised team under the direction of a Plan-approved independent hospice administration. • We pay up to $30,000 for hospice care provided in an outpatient setting, or for room, board, and care while receiving hospice care in an inpatient setting. Services may include a combination of inpatient and outpatient care up to a maximum of $30,000. These benefits will be paid if the hospice care program begins after a person's primary doctor certifies terminal illness and life expectancy of six months or less and any services or inpatient hospice stay that is part of the program is: • Provided while the person is covered by this Plan • Ordered by the supervising doctor • Charged by the hospice care program • Provided within six months from the date the person entered or re-entered (after a period of remission) a hospice care program	In-network: Nothing up to the Plan limits Out-of-network: Nothing up to the Plan limits	In-network: Nothing up to the Plan limits Out-of-network: Nothing up to the Plan limits
