Section 7. Filing a Claim for Covered Services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received).

See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior plan approval), including urgent care claims procedures.

How to claim benefits

To obtain claim forms, claims questions or assistance, or answers about our benefits, contact us at 800-821-6136, or at our website at geha.com/My-Member-Portal.

In most cases, providers and facilities file HIPAA compliant electronic claims for you. In cases where a paper claim must be used, the provider must file on the form CMS-1500, Health Insurance Claims Form. In cases where a paper claim must be used, the facility will file on the UB-04 form.

Submit dental claims, or out-of-network charges that you have paid in full to:

When you must file a claim – such as for services you received overseas or when another group health plan is primary – submit it on the CMS-1500 a claim form that includes the information shown below or visit geha.com/UM-Care-Form. Bills and receipts should be itemized and show:

- Patient's name, date of birth, address, phone number and relationship to enrollee;
- Patient's Plan identification number;
- Name and address of person or company providing the service or supply;
- Dates that services or supplies were furnished;
- Diagnosis;
- Type of each service or supply: itemized bill including valid codes such as ADA, CPT, HCPCS (including NDC numbers for all Drug type charges);
- The charge for each service or supply.

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills. Many direct-to-consumer program models do not support claim submissions to insurance carriers. They do not provide enough detailed, itemized, information to meet these claim submission criteria.

In addition:

- If another health plan is your primary payor, you must send a copy of the Explanation of Benefits (EOB) form you received from any primary payor (such as the Medicare Summary Notice (MSN)) with your claim.
- Bills for home nursing care must show that the nurse is a registered or licensed practical nurse and should include nursing notes.
- If your claim is for the rental or purchase of durable medical equipment; private duty nursing; and physical therapy, occupational therapy, or speech therapy, you must provide a written statement from the provider specifying the medical necessity for the service or supply and the length of time needed.
