Dermatology conditions (*Telehealth services*)

Under the telehealth benefit, dermatologic conditions seen and treated include but are not limited to acne, rashes, eczema, suspicious spots/moles, warts and other abnormal bumps, rosacea, inflamed or enlarged hair follicles, psoriasis, cold sore, alopecia, insect bites.

Doula

A doula is a non-medical trained professional who provides emotional, physical, and informational support during pregnancy, labor/delivery, and post-partum periods.

Doulas must be certified to provide doula services to meet the Plan requirements of a covered provider. Doulas eligible to provide services for any state Medicaid program in the United States or certified by any organization recognized as providing acceptable training by any state Medicaid program, will be considered a certified doula and eligible for reimbursement for services from the Plan. Training organizations include, but are not limited to:

- Childbirth and Postpartum Professional Association (CAPPA)
- Childbirth International
- Commonsense Childbirth Institute
- Doulas of North America (DONA)
- Doula Trainings International (DTI)
- International Childbirth Education Association
- National Black Doulas Association

Doula services do not include diagnosis of medical conditions, provision of medical advice, or any type of clinical assessment, exam, or procedure.

Durable medical equipment

Equipment and supplies that:

- Are prescribed by your attending doctor;
- Are medically necessary;
- Are primarily and customarily used only for a medical purpose;
- Are generally useful only to a person with an illness or injury;
- Are designed for prolonged use; or
- Serve a specific therapeutic purpose in the treatment of an illness or injury.

Effective date

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your effective date begins on January 1. If you joined at any other time during the year, your employing or retirement office will tell you the effective date of coverage.

Elective surgery

Any non-emergency surgical procedure that may be scheduled at the patient's convenience without jeopardizing the patient's life or causing serious impairment to the patient's bodily functions.

Expense

An expense is "incurred" on the date the service or supply is rendered.

Experimental or investigational services

A medical, surgical, diagnostic, psychiatric, mental health, substance use disorder, or other healthcare service, technology, supply, treatment, procedure, drug, medication, device, or biological product (referred to as "service") is experimental or investigational if the Plan determines any of the following to apply:

1. A service which cannot be lawfully marketed without approval of the U.S. Food and Drug Administration (FDA) and approval for marketing has not been given for the proposed use or patient-specific diagnosis or condition at the time it is furnished.
2. Reliable evidence shows that it is the subject of ongoing phase I, II, or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis for the proposed use or patient-specific diagnosis or condition.
